**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Say NO to price hikes that will increase the cost of internet and telephone services.

We switched to Sonic a year ago and have never had better Internet service. Fiber to the home with gigabit speeds both downstream and upstream. It's reliable and amazing, and includes phone service with number portability for existing phone numbers. The most knowledgeable and nicest installation and support people I've ever experienced.
